Good Morning, Jim

We had our technician out this morning and we will need to get part pricing on the controller and we will also include new batteries in are quote since they are from 2012 it will be best to replace them. I should have pricing for complete repair as soon as my estimating team can find the part and receive pricing.

I will be in touch soon.

Respectfully,

Justin, thanks for taking my call this afternoon.

The sign is a gateway type (image attached) and the lighting is not working. It's solar. It's located on Highland Ave. immediately north of Melrose Ave., in Hollywood 90038.
